

2013 PETITE SIRAH

The **Yorkville Highlands** enjoyed a long, cool summer in 2013 resulting in a high-quality vintage of balanced, approachable red wines. Our **2013 Petite Sirah** is such a wine: it boasts forward fruit flavors of ripe cherries and blackberries, along with aromatic notes of dried rose petals and rosemary. Unlike previous vintages of this sturdy variety, it is ready to drink right now and doesn't require much cellar aging to enjoy with your favorite foods.
